OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,

No 8813/401

~~Bangalore~~ Mysore, 5th May 1897

From

H J BHABHA Esq

Inspector General of Education in Mysore,

To

The Secretary to the Government of Mysore in the General & Revenue Depts,

Bangalore

SIR,

When the grades of Educational Officers were first formed by Order No 1270 dated the 30th June 1884 and revised by Order C No 278-93 dated 25th January 1894, it was intended that the places in D Class II should be filled by Matriculates The advance of education in the Province has however been so rapid that graduates are now glad to commence service on Rs 30 But when a teacher who has been getting Rs 30 in grade D Class II is promoted to D Class I, section 103 of the Mysore Service Regulations prohibits the giving of higher than the minimum pay of the class to

paper marked 1a — 2

of D Class II

a teacher newly appointed in that class It is not possible that a graduate should commence service on 15 Rupees in D Class II and wait for ten years to reach a salary of Rs 30 When a vacancy on Rs 30 occurs in D Class II it will be a great advantage to the Department if a graduate's services are secured for that pay - I request therefore that Government may be pleased to authorise me to appoint graduates on Rs 30 in D Class II when a teacher getting that pay in the same class has been promoted to D Class I

I have the honour to be,
Sir,
Your most obedient servant,

H J Bhabha
Inspector General
